

The other special recipe from Kentucky that makes chicken irresistible.

Brakebush introduces chicken wings with Wild Turkey Kentucky Straight Bourbon sauce.

Now Brakebush offers a truly unique flavor experience with new *Chik'N Gone Wild™ Wings and Boneless Wings* featuring Wild Turkey® Bourbon sauce. Created with authentic Wild Turkey® Bourbon and a proprietary blend of spices, the wings are sweet, yet smoky with just a hint of brown sugar and molasses. A light breading gives the wings a delightful crunch, even after

tossing in sauce. Each case of chicken comes with accompanying sauce pouches, so prep is simple. Just fry or bake, toss in **Struttin' Sauce™**, and serve. Give your customers genuine Kentucky bourbon flavor for chicken, only from Brakebush. For more information, visit www.brakebush.com or call 1-800-933-2121.
