# Turn The Popular Taste Of Buffalo Loose On Your Salads, Sandwiches & Entrees.

Brakebush Products Contain:  
**ZERO**  
GRAMS  
**TRANS FAT**  
PER SERVING!

### *Buffalo-Style Chicken Wings*

Our classic, crowd-pleasin' bone-in wings. Fully cooked and unbreaded – these zesty, sauced-to-perfection wings are ready to heat and serve ... and impress!

### *Buffalo-Style Boneless Chicken Wings*

Great flavor, without the bones! (Or the sauce!) These delicately breaded, neat-to-eat boneless wings deliver a spicy-rich buffalo taste. Fully cooked; just heat and serve.

### *Buffalo-Style Chicken Breast Fillets*

These prebrowned 4-ounce fillets are another great way to capitalize on the buffalo craze. Our delicate Japanese Crumb breading and spicy seasoning make it both delicious and versatile.

### *Buffalo-Style Chicken Tenderloins*

Another versatile, fully cooked menu attraction. Japanese Crumb breading, zesty buffalo flavor, easy prep. Makes a great lunch special, or appetizer or late night snack for any size herd.

Buffalo wings continue to be enormously popular. And now it's time to let that popular taste roam throughout your menu ... into salads, sandwiches, wraps, entrees and more!

Brakebush makes it easy. Whether you add a couple of items — or an entire buffalo section — we have the built-in flavor, quality, speed, consistency and convenience to make your new buffalo offerings a huge success.

“Buffalo” continues to be one of the hottest taste trends going. And buffalo wings have now overtaken nachos as the #1 most frequently-mentioned appetizer among the Top 200 U.S. chains.\* Which simply means, if you give your buffalo lovers more places to roam ... they'll go there ... again and again and again.
